Good Morning Charlotte, Nancy, and Erik,

Before we send out the Awareness Notification Email under the new guidelines as detailed in the FOIA Efficiency Memo we are sending this OCSPP Notification Review Email.

Please note this is a Rush Production. As were just informed by the AUSA we need to have the documents through the Equity and Awareness Notification, so that we have the documents produced to FOIA ONLINE by this Friday, 03/29/2019. The good news is that in this production there are 11 documents for a total of 23 pages.

Please find the link below for the December 2018 production for the *Farmworker Justice and Earthjustice v. U.S. Environmental Protection Agency*, (Civil Action No. 18-02293; ED_001800; EPA-HQ-2018-002879) lawsuit (Worker Protection Standard/Pesticide Cert Rules FOIA). This is the 7th Production for this matter that is currently in litigation.
